

STUDENT LIFELINE

BAPTIST COLLEGE OF HEALTH SCIENCES

SPRING 2010, VOL 2

Lauren Denton & Rebecca Sweat celebrate Green Day

EVERYONE WAS IRISH FOR A DAY...

"Everything was great!" "I really enjoyed the food, dancing, music, and just being able to relax, relate, and release!" "I enjoyed it very much! The music was very fun!" These are just some of the comments overheard after Green Day on March 17, last week. The vote was unanimous! Everyone left wanting more (events like this one, I mean). So if you weren't there, well then... You'll just HAVE to come next year!

LIKE TO SHOOT HOOPS?!

Basketball started up last Wednesday! Were you there? You sure missed a great game! Everyone had a blast. So if you want to play, or just watch the game, come to the gym on Wednesday nights to shoot some hoops, or just have fun, with everyone!

LEADERSLIVE PROGRAM...

The inaugural "LeadersLive" program last term was well received by the student leadership at BCHS. All

of the executive officers of each student organization and their advisors were invited to an upscale dinner to show our appreciation for their efforts. As an ongoing series of events, each dinner brings with it a very special message on leadership from renowned guest speakers. Larkin Kennedy, CEO of the

BMHCC Booneville entity, was the speaker at our Fall Program. This spring, Jim Brasfield, co-founder of the Memphis Institute of Leadership Education (MILE) was the guest speaker. Students were also presented certificates of participation and treated to "LeadersLive" t-shirts, buttons, and bookmarks! Thanks again to all of our student leaders.

SOFTBALL ...

Each year BCHS participates in the City Park Commission's slow pitch Coed softball league. We are now getting geared up to go at it again! The team is in need of a few more male players to sign-on and help us bring home the first place trophy.

STUDENT SPOTLIGHT

BRITTNEY RAY...

The spotlight this month is on sophomore Brittney Ray. She is a radiation therapy major and will be

graduating with the class of 2012. Brittney is an active member in SWAT, the Activity CORPS, and OASIS. In a little less than a month, Brittney will be traveling with the student group down to Belize for a mission trip. Thanks for all your hard work Brittney!

STUDENT HONORS RECEPTION...

This year's student honors reception was packed full of well deserved recognition, awards, and emotion. Several students were recognized for academic

achievement in Nursing and Allied Health for their honor society status. Samuel Soria was announced as this year's Nursing Gonfalon bearer and Saphia Jaffery was named as Allied Health's gonfalon bearer. Many other students were recognized for their contributions to campus life through participation in volunteer student

organizations, mentoring/tutoring programs, student government, and as residence hall advisors. Special award plaques were presented to Marie Hellenbrand for Student Leadership, to Lauren Conner for Student Service, and the first BCHS Student Spirit Award went to Zac Cox.
